

TERMS OF REFERENCE

Regulatory Impact Group

Purpose of group

- To provide the Federation with a forum to gather members views and supporting evidence which can be used to strengthen the position of the Federation in discussions with external agencies and consultation responses.
- To be a source of expertise to be called upon when the Federation or stakeholders are seeking awarding organisation representation or perspectives on matters relating to regulation.
- To provide the regulators with a forum for engaging in dialogue with a sample of awarding organisations on a range of regulation related topics.
- To provide members with a forum to discuss, share and consider a range of issues of particular relevance to regulation in relation to the UK based regulators.
- To report to the National Strategy Forum on issues that should be reflected in the Federation's policy.

The Group will:

- Monitor regulatory issues and changes across the UK's awarding and assessment landscape.
- Assess the impact of regulation on the financial health of the industry, providing evidence of impact to underpin discussions and formal responses to the regulators.
- Devise best practice in regard to regulatory compliance, malpractice and customer support.
- Consider relevant proposals made by the regulators and other stakeholders and identify key concerns and implications of the proposals for awarding bodies.

FEDERATION OF AWARDING BODIES

Identify key issues to be included/addressed in FAB formal consultation

responses and on-going dialogue with the regulators. Where meeting dates do

not correspond with consultation deadlines, input into consultation responses may be invited via telephone conferences, on-line surveys, email or special events.

- Contribute to the development of FAB's policy and strategy in relation to regulation.
- Consider the implications of regulation policy in the UK on the international landscape for qualifications, particularly European initiative including the EQF.
- Propose to Ofqual, Qualifications Wales, CCEA Regulation and SQA (as appropriate) where a need for guidance has been identified by awarding bodies in relation to current and proposed regulation of awarding bodies, qualifications or frameworks.
- Maintain regular and open dialogue with Ofqual, Qualifications Wales, CCEA Regulation and SQA in order to support the identification and analysis of issues and developments to be considered.
- Identify where a Task & Finish group needs to be formed (subject to Board approval) to carry out a specific piece of work and to support or contribute to the work of that group, as appropriate.

Chair and Membership

- A Lead Member will be elected by and from the FAB Board to chair the group.
- A Vice Chair will be elected from within the membership of the group.
- The meeting is open to named, nominated and selected full member representatives to attend.
- The group will be formed of 25 representatives of full members, each from a different full member organisation.
- Attendance should be confirmed, in advance of the meetings, via the FAB Events booking system on the FAB Website. Meetings may be attended in person or via a dial-in service which will be provided, where possible.

FEDERATION OF AWARDING BODIES

Where attendance by the named member is not possible, a substitute may occasionally attend a meeting. Any substitute should be briefed in advance by the person they are replacing.

- Representatives of the regulators and other key stakeholders will be invited to attend the meetings as appropriate and as agreed by the Lead Member. The purpose of such representation will be to provide and clarify information to members and receive feedback/information from the group.
- The minimum number of group members required for a meeting will be six, plus the Lead Member.

Frequency

- The Group will meet three times per year.
- Meetings will be scheduled in advance, to provide reasonable notice of meeting dates and times.
- Where required, additional meetings may be scheduled to respond to regulatory developments in the sector.

Reporting

The Group will:

- Maintain a record of key points discussed/agreed and actions arising which will be circulated to the group for reference.
- Identify and agree the key issues that should be reported to the National Strategy Forum during the development of FAB policy.

The reporting/ accountability line of the group is to the Board via the National Strategy Forum.
